

HIGHLIGHTS OF THE PRESIDENT'S DAILY ACTIVITIES – Thursday, March 2, 2017

- President Ellen Johnson Sirleaf has on the third day of her official State visit to the Federal Democratic Republic of Ethiopia toured the Eastern Industry Zone - in Ethiopia's Oromia Region located some 30 kilometers outside Addis Ababa. She acknowledged the remarkable level of progress Ethiopia was making through value addition coupled with the attendant benefits its people are reaping. The Liberian leader spoke during her visit to the Eastern Industry Zone, which under Phase I of its terms, occupies 2.33 square kilometers of a total of square kilometers that is planned for six functions including residence, commerce, industrial warehousing, road, public utilities, greenery, etc.
