

HIGHLIGHTS OF THE PRESIDENT'S DAILY ACTIVITIES – Tuesday, October 6, 2015

- President Ellen Johnson Sirleaf returned to the country late this evening following successful visits to the Federal Republic of Germany and the United States of America where she participated in high-level meetings and the UN General Assembly.

Among other engagements, her trip to the U.S. focused on the adoption of the Sustainable Development Goals (SDGs) that will replace the Millennium Development Goals (MDGs) at the end of 2015, the regular UN General Assembly and other high-level meetings on the margins of the UN General Assembly.

Briefing journalists at the Roberts International Airport upon arrival, the Liberian leader described the just ended 70th Session of the United Nations General Assembly held in New York, United States of America as “rewarding”. “It was a very long tiring trip; but rewarding also,” she stressed.

Meanwhile, after the airport formalities, a Thanksgiving Service was held at the All Saints Catholic Church in Unification Town, lower Margibi County for her safe return.
